Mr Alexander was never convicted of such, as mentioned above said charge was dismissed.

Mr Alexanders witnesses Ms Jessica Brown, Capt. Michael Stevens of the Columbia Police Dept. and Municipal court Judge F. Dantin were never questioned or allowed to give Testimony.

SUMMARY OF ARGUMENT

Mr Alexander was denied due process of law by the Court Retrying Introduction of Evidence and witnesses ~~that~~ that could have Proven the documents submitted by Mr Alexander F.O III were fake and that Mr Alexander was not convicted of domestic assault on Feb. 22 2006 That charge was dismissed and documents showing that Mr Alexander tested positive for Marijuana use during His E.R.S. Term not His P.R.S. and Mr Alexander E.R.S. was not Revoled for this incident That Mr Alexander never tested positive for Marijuana use during P.R.S. 1/3/06 - 9-5-06. These errors and violations Prejudiced the outcome of His P.R.S. Hearing.

ARGUMENT

I whether Mr Alexander was denied due process during His Probation Revocation Hearing Mr Alexander's defense at His P.R.S. Hearing was factual documental evidence the dismissed domestic assault charge and original Results along with His certificate (Discharge certificate) that shows Him being on Early Release supervision when He tested positive for Marijuana use 10/20/05 exhibit

That And Ms Jessica Brown, Capt. Michael Stevens Judge F. Dantin who could and would have Proven documents submitted by F.O. III Arinder False That Mr Alexander ~~was~~ domestic assault charge was dismissed

Exclusion of These witnesses and documents possessed

by Ms Jessica Brown which were Exhibits Mr Alexander Planes

to use as defense ~~that~~ Prejudiced Mr Alexander's P.R.S.

Revocation Hearing? Results causing Mr Alexander's P.R.S. To be

Revoked

II whether errors admitted in P.R.S. Hearing Prejudice
Its outcome

due to the alleged errors during Mr Alexander's P.R.S. Hearing
Mr Alexander's Post Release was unlawfully revoked Mr
Alexander's Hearing was not fair impartial but was
erroneously decided on fraudulent evidence (Erharts)
and Perjured Testimony (Transcript) but for these misrepresentation
~~misstatements~~ Mr Alexander's Post Release
couldn't have been revoked.

III whether Mr. Arinder F.O. III vindictively Prosecuted Mr Alexander

Mr Lanny Arinders Acts of Perjuring Testimony Transcript and submitted Forged and Fraudulent documents (Exhibit "a" and Exhibit "b" was A malicious and vindictive Attempt to cause Mr Alexanders Probation to be Revoked At which he succeeded Against all Factual and true Evidence.

IV whether False documents and Perjured Testimony cause P.R.S. to be Revoked the Revocation of Mr Alexanders Probation was due to Misrepresentations by Lanny Arinder F.O. III as shown by the Judges Findings and Ruling Revoking Mr Alexanders Probation the Judge Relied on documentation and Testimony by Mr Arinder F.O. III but Records show that Mr Arinder was wrong.

And his testimony False concerning Mr. Alexander testing Positive For Marijuana use during His Post Release supervision

Mr Alexander tested Positive For Marijuana From a 9/16/05 urine sample. Result confirm 10/20/05 at those dates

Mr Alexander was still on E.R.S. see Exhibit "a"

Mr Alexander was discharge to P.R.S. 1/3/06

3 months after His testing Positive In which His E.R.S was not Revoked.

Mr Arinder also ~~False~~ Falsely Represented that Mr Alexander was Found guilty or Plead guilty to domestic assault, Mr Arinder Even submitted an order Proclaiming the same

A document signed by some one other than Mr Alexander who even misspelled Mr Alexander's Name. A Forgery

when Mr Alexander's domestic assault charge was dismissed Feb. 22 2006.

But For these misrepresentations Mr Alexanders P.R.S. could not have been Revoked.

IV Whether Petitioner Is unlawfully detained/Illegally Incarcerated.

Mr Alexander Is being unlawfully held by M.D.C. confined in Parchman Ms. where as Mr Alexanders P.R.S. was unlawfully, Feloniously, Revoked as alleged by the above arguments.

Mr Alexanders Probation was Revoked against the weight of all true, legitimate factual evidences.

Mr Lanny Ander and Marion County circuit court used measures against Federal and state law

due process, Right to call witnesses, Present Evidence, To Revoke Mr Alexanders Probation (Mr Alexanders Probation), Mr Alexander was not given the benefit of a fair hearing or adversarial process.

Mr Alexander Is Illegally Incarcerated, against his will and In violation of the laws of Mississippi and this country, also In violation of Mississippi Department of corrections standard ~~operating~~ operating procedures governing Probation Post Release Supervision.

Plaintiff is proceeding pro se. And ask this court to construe his allegations liberally due to Elemental nature of proceedings

Plaintiff is not a court-writer or in anyway skilled at arguing law, policy, procedures or the like.

Plaintiff makes the ~~the~~ above averrings with help of others, inmates and assistance of M.D.C. I.L.A.P. and states that the above and foregoing statements are true and correct and all documents submitted as Exhibits are reasonable facsimiles of the originals Plaintiff invokes Moore v Ruth because of his pro se submission.

Conclusion

Mr. Alexander is entitled to have his P.R.S. Reconstitution Revised and be placed back on P.R.S. with time accrued towards completion or For Evidentiary Hearing on the same.

Respectfully Submitted
